## CREWES Annual Sponsors Meeting

In this special issue of the newsletter, we focus on providing you with details of the 1999 Sponsors Meeting which is taking place next week at Kananaskis. To help you make the most of your time with us, we present below both the finalised agenda for December 1 to 3, and the presentation schedule. As usual, we have a comprehensive programme which we are proud to share with you.

To help representatives attending the meeting on a tight schedule, we have timetabled the Technical Sessions around CREWES' principle research areas. Use the timetable below to see when papers concerning your particular interest are due to be presented. See Page 2 for the detailed presentation schedule.

### Programme Outline

Full information regarding the meeting, including transportation details and directions are available at [www.crewes.org](http://www.crewes.org). From our homepage, click the Sponsors Meeting Information link.

We look forward to renewing old acquaintances and making new friends. See you there!

## New Web Address for CREWES: [www.crewes.org](http://www.crewes.org)

CREWES has obtained a new, easy-to-remember web address for our online visitors at [www.crewes.org](http://www.crewes.org).

Those who have our old address bookmarked, needn't worry as the homepage will still be accessible from there for the foreseeable future.
